Vendors are confirmed, temperatures are rising and The Great Trade War is (hopefully) ending... **Let's celebrate!**

We've been busy planning what we think will be a truly epic weekend and we can't wait to enjoy it with everyone.

Favorite Band: Confirmed!

We landed our favorite DJ duo to jam with us Saturday!

Bon Entendeur is a French-Disco-Tropical-Electro-Duo that we absolutely LOVE and they're starting to explode. You might not know them (yet) but you'll recognize their songs and will become new megafans like us.

Their vibes are immaculate, and they couldn't be a more PERFECT fit for this exact occasion. We can't wait to jam together with everyone!
